

EXPERIENCE

The Creative Circus

Atlanta, Georgia
Instructor
2007-Present

Teaching students from all departments: Advertising, Graphic Design, Image, and Interactive. Classes have ranged from skills and design classes to running the student Study Hall, helping students from all levels and disciplines with on-going projects.

Freelance Graphic Designer

Atlanta, Georgia
2006-Present

Work on design projects both at firms and with my own clients. Projects include print collateral, interactive design and development, branding, identity suites, educational support, and more.

Emory University

Atlanta, Georgia
Vetted Freelance Designer
2006-Present

Work on branding and layout projects. Also review merchandising submissions to make sure they conform to University's brand guidelines.

Praxium Press

Tucker, Georgia
Letterpress Printing Assistant
2006-2011

Helped run letterpress printing production for larger jobs as well as designed and produced letterpress projects for personal clients.

Japan Exchange & Teaching Programme

Aichi Prefecture Board of Education
Aichi Prefecture, Japan
Assistant Language Teacher,
2001-2003

Team-taught English to Japanese high school students at three different schools simultaneously. Developed and implemented lesson plans, started a school English-language newspaper and an English reading club.
